A PRAYER AS OUR SCHOOL REOPENS: Loving God, we ask you to wrap our diocesan school family in a cloak of love and protection as our schools reopen this year.

Bless our boards of management and staff as they continue the good work that they have already begun to ensure a welcoming and safe environment for all. Bless our parents as they again entrust their children to us, confident we can all work together to help them become the very best that they can be.

Above all, God of Love, we ask you to extend your hand of blessing on our pupils as they joyfully reunite with their friends and all in the school community. May they continue to progress in their studies and always know that they are safe, secure and protected in your loving embrace.

We know much will seem very different this year, but, Gracious God, we are confident that through the intercession of our own Saint Brigid, St. Flannan, St. Flannan your love and care for each of us will never change. May we show the same love and care for one another in all we do and say this year. Amen.

USE OF MASKS OR FACE SHIELDS IN CHURCH: As the current crisis continues to be part of our community and church life, new guidance is becoming available to us daily. It has now become the common practice in many Dioceses that there would be a strong encouragement for people who attend Mass or other Liturgies in churches to wear face masks.

The wearing of masks has now become such a feature of all our lives in shops, post offices and every public place that people are becoming used to them. So the purpose of this email is to suggest that a note should go in newsletters this weekend and for the coming weekends, encouraging people to bring masks or face shields with them to church and to wear them. It is a protection for themselves and for those they meet.

WEBCAM IN INAGH CHURCH: We have our Webcam up and running now in Inagh Church. We will have Mass on this Saturday night at 7:30pm, Monday – Friday @9:30am and the First Saturday of each month @9:30am. Please pass on the word about the Webcam to others. Particularly those who are away from home in other parts of the world. It will be wonderful to have it on the day of a funeral or other Parish occasion where people will be able to log in wherever they are. Please pass the word that it's available on line now.
