SPRITUAL HEALING: Dear God, I know that the first step in all spiritual healing is to believe. I believe – I open my mind and heart believing in your infinite power and possibility. I believe that healing is a dynamic and reachable experience, a reality that can be experienced right now. I maintain a patient and loving attitude, for I believe that your healing activity is now at work in my mind and body. I look forward, with joyful expectation, to the perfect wholeness that you are now bringing into manifestation through me. I believe in your constant expression of perfect good in and through me. I rest in the certainty of your healing power. I know that with you all things are possible. In Jesus Christ's name, Amen.
