MISSION SUNDAY: "Please support frontline Missionaries on World Mission Sunday 24th October" Once again, we appeal for your support of frontline Missionaries involved in the everyday pastoral care of people and missionary activity in 1,100 dioceses throughout the world mostly in Africa, Asia and Latin America, many of which are places ravaged by poverty, conflict and insecurity. The Mission Sunday theme proposed to us by Pope Francis is - **"We cannot remain silent - we cannot but speak of what we have heard and seen"** Acts 4:20 I deeply conscious of appealing during what is still a time of great uncertainty but I'm also aware of the great needs of frontline missionaries where the level of those yet receiving the vaccines is still very low putting them even more at risk. We cannot remain silent but need to reach out to show our love and active support for missionaries.
