WORLD ELDER ABUSE DAY: Wednesday 15th June. The United Nations General Assembly has designated the 15th June annually as World Elder Abuse Awareness Day. It is well documented that there will be a significant growth in the population of older persons between the years 2015-2030 and with this increase come the increase and risk of abuse. The National Safeguarding Office (HSE) can be contacted at safeguarding.socialcare@hse.ie or on 061 461165 in relation to any promotional material for World Elder Abuse Awareness Day. The HSE Safeguarding & Protection Teams work directly with those who find themselves vulnerable and who are at risk of abuse. If you have a concern for yourself or an older person you can contact the HSE Safeguarding and Protection Team on safeguarding.cho3@hse.ie
