**RESILIENCE HEALTHCARE: Require a driver to take our nurses
from Drumcarra into the Inagh village on a daily basis. This is only
a short distance but not safe for walking. The nurses are caring for a
young child in the area who has just been discharged from hospital.
Days are 9am return at 3pm. Nights 23.00 return at 7am. We are
also trying to source accommodation in the village so the nurses
could walk to work. I would need two rooms not necessarily in the
same house. If any of your parishioners would be able to
accommodate it would really help us to care for this little child.
