**CLOONANAHAN CHURCH RESTORATION:** Our Committee wishes to thank you for your generosity and support, our plans are progressing very well and we continue to seek donations. Initial works will start this week. The Committee has been hearing stories etc in relation to different aspects of life connected with the Church over the past 90 years. One such story recounts that Tim Clancy, Curragh O Dea grew drills of Flowers which the family brought to the Church for Sunday Morning Mass. Three of Tim's daughters got married in Cloonanaha Church in the 1950's. We would welcome any such recollections including photographs for our records. Our donations lines are open at
