**ST BRIGID:** Is renowned for her hospitality, almsgiving and care of the  
sick. She was born c. 454. When she was young her father wished to  
make a very suitable marriage for her but she insisted in consecrating her  
virginity to God. She received the veil and spiritual formation probably  
from St Mel and stayed for a period under his direction in Ardagh. Others  
followed her example and this led her to found a double monastery in  
Kildare with the assistance of Bishop Conleth. She died in 524 and her cult  
is widespread not only throughout Ireland but in several European lands.  
The St. Brigid's Cross, in legend used by Brigid to explain the Christian  
faith, remains a popular sign of God's protection.

**PRAYER TO SAINT BRIGID:**

You were a woman of peace. You brought harmony where there was  
conflict. You brought light to the darkness.

You brought hope to the downcast. May the mantle of your peace cover  
those who are troubled and anxious, and may peace be firmly rooted in our  
hearts and in our world.

Inspire us to act justly and to reverence all God has made.

Brigid you were a voice for the wounded and the weary.

Strengthen what is weak within us. Calm us into a quietness that heals  
and listens.

May we grow each day into greater wholeness in mind, body and spirit.
